RESOLUTION
Be it resolved by the Lions Club of Appomattox that the passing of one of its members of many years, James H .Lucado, is indeed a loss to this civic organization.
We have never had a more conscientious member than Lion Lucado. He had the best attendance record of any member, and did more real effective work than any other of our Lions.
For many years he made all arrangements for special meetings, such as Ladies Night, he ascertained what members were coming and how many, if any, guests they would bring. If all of our Lions were like him our Club would remain at the top in both the District and State.
The Secretary is directed to publish this Resolution in The Times-Virginian and Mail Copies to his two daughters.

## IN MEMORIAM

IN MEMORIAM
In sad but loving remembrance of our daddy, Lewis Landers McCormick, who departed from us 9 years ago, June 7, 1950.

Oh the memory of the morning
As we stood with aching hearts,
To see the one we loved so dearly
From us forever part.

God gave us a wonderful daddy,
One of the world's very best,
And when on earth his work was done,
God called him home to rest.

Before our eyes he faded,
Growing weaker day by day,
Patiently bearing his suffering,
Until God took him away.

We saw him slowly leave us,
And helplessly we stood by,
And drained the cup of bitter grief,
The day we saw him die.

You fought your pain so bravely,
Your hend you did not bend,
We kept the watch of you, dear daddy,
Yes, to the very end.

The old home now is broken,
No longer there you roam,
For the One that rest forever,
Always help to make our home.

Oft to our hearts comes a bitter cry
Why, Oh! Why! did he die?
Then comes the answer, soft and sweet,
He is not dead: He's just asleep.

May we live and serve our Master
Walk the straight and narrow way,
So when life on earth is ended,
We will meet in heaven some sweet day.
—Sadly missed by children

## IN MEMORIAM

In memory of Joel T. Morris, who passed away June 6, 1957.

God gave us a wonderful Papa and Husband,
One of the world's very best,
And while at work one day,
God called him home to rest.

Little we thought when he went away,
The sorrow it would bring
The end was sudden,
The shock severe,
To part with one we loved so dear.

Sleep on dear Papa and take thy rest,
We loved you, but God loved you best.

### FARM GRAIN STORAGE

Farm grain storage capacity in the United States increased more than 10 million bushels during the first three months of 1959 as the result of the Department of Agriculture's storage facility loan program, according to W. D. Hix, III, Chairman of the Appomattox County Agricultural Stabilization and Conservation Committee.
Loans totaling more than $2,000,000 were made during the first quarter of this year to approximately 2,700 farmers, Mr. Hix said. Loans for up to 80 per cent of the cost of grain storage facilities are available through ASC County offices to help farmers meet the needs for farm grain storage.
Loans are also available to farmers through ASC county offices to help finance the purchase of mobile crop drying equipment for conditioning grain stored on farms, Mr. Hix advised. Since these programs began in 1949 loans have been used to add 412 million bushels to the nation's farm storage capacity and the installation of drying equipment valued at more than $5,000,000.
Grain farmers can usually make a little extra profit by holding their grain on the farm for a few months as prices are generally depressed at time of harvest, but in order to do this there must be sufficient storage space on the farm.

### WEEKLY NEWS REPORT OF TOWN MAYOR

To the Citizens of
The Town of Appomattox:
I want to take this opportunity to thank all of you fine people for the support which you gave me and the newly elected councilmen in the Town Election on June 9. This is most gratifying and we deeply appreciate it.
The regular monthly meeting of the Town Council will be held on Monday, June 15, at 7:30 P. M., in the Town Office. A representative of The League of Virginia Municipalities has been invited to attend this meeting and he is expected to enlighten the Council concerning Zoning Ordinance. I feel that every citizen in Town is very much concerned about some type of Zone Ordinance and it is my deep belief that we should try to obtain some experienced counsel along this line and see that the matter is given a very extensive study. Everyone interested in this problem is invited to attend this meeting, and it is my hope that after this study is completed that a mass meeting will be called sometime in the near future to give everyone a chance to voice their opinion.
Everyone please bear in mind our "Clean-up" and "Paint-up" program and let's make a continued effort to support this.
Your counsel and advice on all public matters is welcomed at all times.
Sincerely,
C. T. Moses, Jr.
Mayor, Town of Appomattox.

### 2,753 VOTERS ON ELIGIBLE LIST

A total of 2753 voters are on the eligible list for the county primary of July 14, and the general election in November. The list was released this week. This is one of the largest voting lists ever reached i n this county. In addition to these on the list, a number of registrations of those newly become 21 years of age, and the addition of those in the armed services, would bring the potential number of voters above the 2,800 mark.
There have already been a considerable number of applications for ballots to vote by mail, the figure being over 150 already, with a month to go before the county primary. Contests exist for the offices of county sheriff, county commissioner of the revenue, and for supervisor in the Stonewall district.
